I
Who is it?
Love
You

Mu Hyul?
Nope!
It's me, your prince! I am here for my bride!
...So it wasn't Mu Hyul
Let go of me, Jin Sol Ryu!
Aren't you going to thank me for transforming you to a noble princess?
Also, you may tell our children what I just wrote on your back...

Wh Who's giving birth to whose baby?
Hic Hic
...Does it look like I'm in the mood to hear your jokes?
Sfx: Cry
Are your eyes faucets?
Why are you crying?
...I'm crying because I'm sad.
I hate you I hate you for turning me into one of those princesses who live in castles wear expensive dresses and ride golden carriages

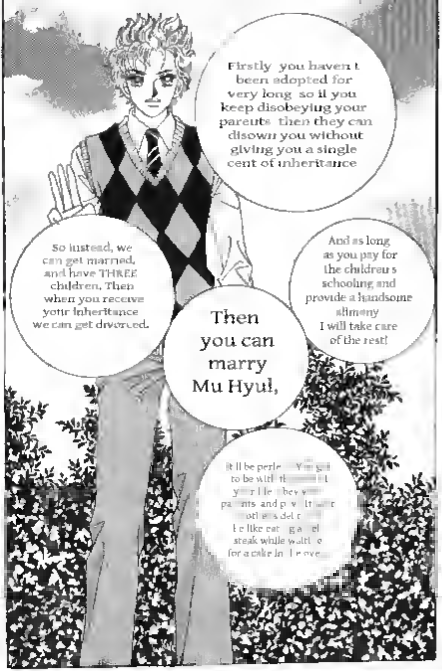
I would rather be Mu Hyul's wife than a princess.
I want to be with him...
I hate this I'm so angry.
I hate my mother for hurting Mu Hyu. I hate my father,
And I hate you.

Whenever I see a girl crying in front of me...
I take it as her really wanting to kiss me.
Sfx: Smack
We promised to protect each other...
This is why I hate you!!
Kicks
My lips belong to somebody else!

Don't go. People will notice your tears.
Grab
And the one who should be crying is probably Mu Hyul
Crying in front of him won't change anything. You're only going to hurt him more
Stand up against your parents the same way you fight against me.

And don't lie.
You don't hate any of us.
You only hate how we act towards you...
Did you forget the time when you were an orphan .?
You probably don't want to go back to that again, right?
You should be happier than you were before. You shouldn't cry..
It s great when an orphan gets adopted And if their parents are rich, then that s like icing on the cake
How can you say that you don t want a family or to be rich?

What if you give up on Mu Hyul?
Scratch
You two are different now .. and it's not like he's the only man in the world...
And since your parents want you to stop seeing him...
Mu Hyul will probably stop caring about you
You're wrong!!
Woah! Ca-calm down. - How about I help you persuade your parents then?



Firstly you haven t been adopted for very long so if you keep disobeying your parents then they can disown you without giving you a single cent of inheritance
So instead, we can get married, and have THREE children. Then when you receive your inheritance we can get divorced.
And as long as you pay for the children s schooling and provide a handsome alimony I will take care of the rest!
Then you can marry Mu Hyul,

Stumbles

How can you joke like that?
You're ridiculous.

Young Lady! What's wrong?
Sec Bow
Who are you?
We re your bodyguards Your mother hired us
We will be accompanying you to and from school..
Is this person Mu Hyul? If so then your mother has ordered us not to let him get close to you
No.. My Mu Hyul isn't a materialistic snob..
So she's watching me at school now...?

Sfx: Turn
She's taking it too far...
I am getting angry. Is this what you call a mother's love?
Young Lady!!
Where are you going?
If you are ready, we'll take you home.
You can't go outside by yourself. Please return to your classroom.
Get off. Stop treating me like I'm some criminal.

I'm sorry, but we can't allow that. We will escort you to your classroom.
Sfx: Smack
Let go of me!
Hey! You heard the lady. Now help us out and move aside!
Get on, Princess!!
Ah...No.
Only if you take me to Mu Hyul!
Vroom
Sfx: Vroom
They won't be able to match my speed. And don't mistake this sexy man for an obedient bodyguard...
Follow them!

Art Room
Those two sure are noisy...
I can't believe you're triplets.
I can see you being Hee Rang's twin but Bo Eun has the same vulgar qualities as Jin Sol Ryu.
She must have been the child of your father's mistress.
Or perhaps was she born out of wedlock?

Mu Hyul can't possibly be the reason behind her evilness...
You're wrong!
She's a devil because of Mu Hyul...
Then why did you let his family go bankrupt?
You could have stopped it...
I was relieved after hearing the news.
I thought you had finally rejected Mu Hyul
If you still haven't given up on him then I'll be very disappointed.

I saw an opportunity to destroy something I liked,
Is that so?
I don't like him nearly as much as you do .. but I could assist you in your plans.
I don't need your help. It's only satisfying if I hurt him myself. However you could play around with Bo Eun if you wish
Haha... You're such a rich man's daughter
I'll only get rid of Bo Eun if you agree to be mine

Are you ready to do some dangerous play if you can have me?
Sure.
But she's your sister You can't be serious?
Bo Eun Gwak will never be my sister Just like how Jin Sol Ryu isn't your brother...
I never want to see her stupid smiling face ever again

How did a Gwak suddenly become Na..?
Anyways I welcome the fact that you and I have something in common
And I admire your desire to punish someone to this extent I also have someone who I really want to punch in the face..
Hate is what we have in common. Since we can't be openly proud of this, let's just keep it a secret between me and you.
Secret...?
Ha! I didn't realize I was going to have more secrets I look forward to our partnership.

Six: Clench

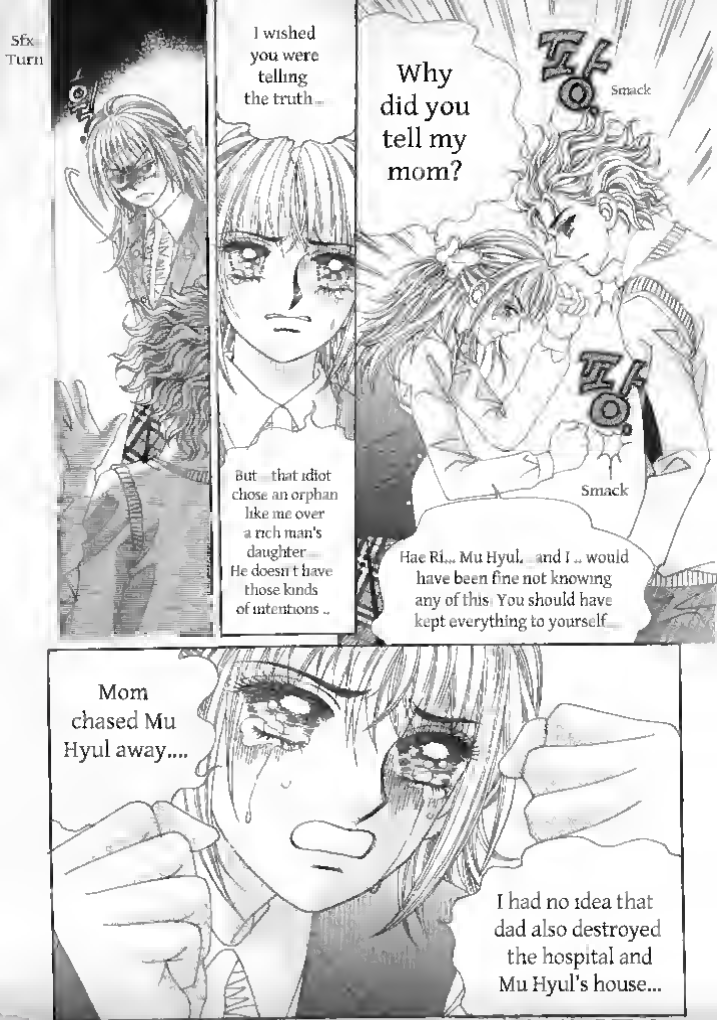
Anyways,
This is an invitation to my birthday party Will you come?
A boat party on Friday the 13th at 6pm
A boat?
What if we make plans on that day?
I want to give you a special birthday present.

I can only watch from a distance...
While playing dumb in a stifling relationship...

Hold tight. You might fall off.
I think we lost them! You can stop now!
Didn't you want to go to Mu Hyul's house?
. Give me the directions.
Stop! I'll go by myself!
—If going with you will increase the chance of you giving up on Mu Hyul then I m coming!

Do as you wish... I don t care...
I also want your love to fail!
He really enjoys other people's misfortune...
The hospital is also closed?!
Ding Dong
Ding Dong

Nobody is there. They all moved out in a hurry last night.
Huh? They moved away?
Is anyone there?
No one is answering...
He isn't answering his phone either Did you really leave me... Mu Hyul?
Don't worry He wouldn't possibly think of leaving a rich man's daughter He'll reveal himself soon



Sfx Turn
I wished you were telling the truth...
But... that idiot chose an orphan like me over a rich man's daughter... He doesn't have those kinds of intentions...
Why did you tell my mom?
T.O.
Smack
T.O.
Smack
Hae Ri... Mu Hyul... and I... would have been fine not knowing any of this. You should have kept everything to yourself...
Mom chased Mu Hyul away....
I had no idea that dad also destroyed the hospital and Mu Hyul's house...

He promised to never give up..
He promised to love me until he dies..
Why hasn't he contacted me..?
I want to yell at him.. but I'm also at fault.
What if he left because he hates me?
Is our love going to end like this?
I feel like my heart might stop any minute.
Hug

You pervert!
Even when I'm distressed, you still try to kiss me?
My heart hurts from worrying about Mu Hyul...
And you're being a casanova!!
Sfx. Punch
I warned you before...
If you cry in front of me, I'm going to kiss you...

Don't love every girl at once..
Love one girl with all your heart.
Then you will understand my tears,
And my heart.
I will never cry again in front of you
Sfx: Grab
Okay! I accept your words.
If you are crying and begging..
Then I can only soothe you ..

He must have thought that I was led to be comforted. maybe that's why he tried to kiss me
Sfx, Shake off
Taxi-!!
I'm such an idiot This is my fault for being so weak and sensitive.
Jin Sol Ryu! Thank you for trying to comfort me . but it's okay
Thinking about it now, you've treated me very well. Please don't feel embarrassed, but I can't see you that way
TAXI
I've cried to my heart's content, so now I have to stand up and fight
I'm going to tell my parents the truth and take control over my own life
You've been a good friend to me. Maybe that's why I'm able to relax and cry around you so easily

Sfx
Vroom
TAXI
We're here, ma'am.
This is dad's company?

It looks so condescending... just like dad...
I can see why it was so easy for him to destroy Mu Hyul s house and hospital
